

5 Worldly Teas

If social or environmental activism isn't your 'cup of tea' these delightful teas from Makabari Estate in the foothills of Darjeeling, offer the perfect way to start changing the world, one cup at a time. Biodynamic and Fair Trade certified the Hampstead Tea range delivers an experience that enhances wellbeing, is chemical free, promotes sustainability and contributes to the development of social communities in developing countries. This award-winning teas range is available in Black Tea, Oolong Tea, Green Tea, White Tea and Herbal Infusions in loose leaf and individually wrapped staple-free and non chlorinated tea bags.
